## **The English Menu Card**

### **Welcome – Benvenuti**

Forget about your routine and enjoy the  
Italian lifestyle here in the center of  
Unterschleißheim.

Our wood stove pizzas are famous beyond the borders of  
Unterschleißheim and it's not only the baking in the wood stove  
that makes them unique in the neighborhood, but also the  
carefully chosen ingredients.

We mainly focus on a healthy nutrition also for pizzas.  
Our pizza dough consists to 50% of spelt flour and therefore, it  
is considerably more digestible and healthier than usual pizza  
doughs.

All ingredients for our pizza and Italian specialties are  
first class products without exceptions. Due to this fact  
we can guarantee the authentic and characteristic taste  
of Italy.

**Relax in our small and comfortable pizzeria-cafe-bar  
and feel like being in Italy.**
