## **Welcome – Benvenuti**

Forget about your routine and enjoy the Italian lifestyle here in the center of Unterschleißheim.

Our wood stove pizzas are famous beyond the borders of Unterschleißheim and it's not only the baking in the wood stove that makes them unique in the neighborhood, but also the carefully chosen ingredients.

We mainly focus on a healthy nutrition also for pizzas. Our pizza dough consists to 50% of spelt flour and therefore, it is considerably more digestible and healthier than usual pizza doughs.

All ingredients for our pizza and Italian specialties are first class products without exceptions. Due to this fact we can guarantee the authentic and characteristic taste of Italy.

**Relax in our small and comfortable pizzeria-cafe-bar and feel like being in Italy.**
